BEFORE THE WEDDING

The Hedtshots Full Wedding Package kicks off with a free engagement shoot at a location of your choosing. Let's get to know each other and get you both comfortable around my camera and shooting style, as well as giving you engagement photos to treasure forever!

Throughout your wedding planning process, I'll be in touch to make sure everything goes smoothly on the day. We'll cover all the essentials like photo lists, family photo organisation and wedding day timelines to ensure that your wedding runs smoothly and your photos best represent your favourite memories of your day.

ON THE DAY

The Hedtshots Full Wedding Package includes:

- At least 8 hours of wedding day coverage, planned in advance to cover the parts of your day that are most important to you, from getting ready all the way to the last dance at your reception.
- A sneak peek of photos within 24 hours of your reception!
- A full gallery of 500 photos, edited and delivered to you digitally for ease of sharing, and the option to order high quality prints straight from the gallery.
- Your favourite 30ish photos delivered in a hard-cover photo book to display in your home.
